The Honour Roll event recognizes Halton companies for their demonstrated leadership in advancing excellence in the skilled trades. Now in its eleventh year, this event was the first of its kind in Ontario. The Halton Apprenticeship Advisory Council was established in 1998 as a grassroots effort to co-ordinate business, education, labour, community and government to create an environment in which skilled trades can excel. The honour roll event is an important opportunity to recognize excellence in the skilled trades. Please take the time to nominate deserving companies.
